EDUCATION

MCA (Master of computer application)

Galgotias University • Greater Noida , UP , India • 2024

BCA (Bachelor of computer application)

MDU University • Rohtak , Haryana • 2022

SUMMARY

"Aspiring software developer eager to embark on a rewarding career in the field. Strong foundation in programming languages and eager to learn new technologies. Committed to delivering high-quality code and collaborating effectively within teams to tackle challenges and drive innovation. Excited to contribute to impactful projects and grow professionally in a dynamic environment."

PROJECTS

Instagram Fake Profile Detector

Galgotias University • <https://github.com/Ragini-Tiwari/Instagramfakeprofiledetector>

- Created Instagram Fake Profile Detector using machine learning algorithms and Python libraries like TensorFlow, Tokenizer, and Flask.
- Implemented a machine learning algorithm that scanned and evaluated over 10,000 Instagram profiles, achieving a 92% accuracy rate in identifying fraud accounts.

Library Management System

<https://github.com/Ragini-Tiwari/library-management-system-using-MERN>

- Developed a Library Management System utilizing the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Engineered a comprehensive library management system using MERN which automated inventory tracking, user registration, and resource allocation, serving over 500 users.

ACHEIVEMENTS

- Secured First Place In The Prestigious University-level Coding Competition, "Web Wonders," Surpassing 150+ Participants.
- LeetCode Problem Solver With A 3-star Rating, Having Tackled 500+ Coding Challenges.

CERTIFICATIONS

Alteryx Designer Core Certified

Alteryx • 2024

- Certified in Alteryx Designer Core, demonstrating proficiency in advanced analytics and workflow automation.

Data Engineering

AWS Academy • 2023

- AWS Academy Data Engineering certified, showcasing expertise in cloud-based data processing and infrastructure management.

SKILLS

Languages : C , Java , Python , HTML , CSS , Javascript

Framework : React JS , Flask , Django , Spring , Bootstrap

Libraries : ExpressJS , Tailwind CSS , NodeJS ,

Databases : MongoDB , MySQL , PostgreSQL

Tools : Github , Trello , AWS
